I'm excited to raise funds to support the FSPAC and together, we can make a difference!

The legislative initiatives designed to improve campus safety, due process rights for our student members and organizations, and tax parity for donations to improve fraternity housing are vitally important, and you can create a big impact by donating through my personal or the ATO page.

I hope you will join me in support of the Fraternity & Sorority PAC. If you have any questions, please let me know. I hope you can support my efforts to make a difference. Thank you!
